PRESIDENTS REPORT

Well Done, Well Done , Well Done.

Congratulations to all at S.T.C.. The 1993-94 season was our most successful on the field for many years.

A combined team /club effort saw 4 teams into the finals, 3 teams into the grand final and premiership success to our Friday Night Under 14 team

This season S.T.C. continued to increase the teams we field, with the addition of a second under 14 team and a mens tennis team. S.T.C. now have ten sides playing sport each year (4 senior and 4 junior cricket teams, a ladies netball team and a mens tennis team)

Also during the season the Club entered a five a side limited overs competition. With \$300.00 prizemoney up for grabs, this pleasant Sunday turned into a run scoring feast as S.T.C. playing against quality opposition won the title and the cash. Team members were Mark Molloy, James Hall Julian DiStephano, Ross Moore, Bernie Docherty and team manager Stuart McCulloch.

Its the contribution of all members that has attributed to this seasons success. Obviously some play a major role and can be proud of their work. If possible and preferably, those who played a small role this year may be capable of increasingtheir effort next year.

Our Junior parents must take a bow. With both under 14 teams in the finals, we had plenty of cricket to watch, this bought our parents and senior players together as one voice in the support of our young heroes.

Details of all the teams and their highlights are listed in this report.

My special thanks to the following members of S.T.C: Arnie Maskiell, Greg Spithill. Max Giblett, Gerry Walker, Peter Sandilands, Kevin Burt, Jack Krohn, Bob Parker, Julian DiStephano and Rob Hoich.

Congratulations to all our trophy winners and thanks again to Mick Drew (Lifetime Trophies Dandenong). A fantastic effort supplying our trophies at specialrates for his good mates.

To our sponsors J.A.Cain, J.W.Hall, Harris Wood Toyota, J.&J.Spithill Motors and Docherty Catering. Its terrific to have you aboard. You can all take credit for your part in our on and off field strength. We look to and encourage every member to continue to be aware of the services our sponsors provide.

Outstanding highlights for me this season were;

- * The success of all our Junior teams
- * The Christmas Party was a tremendous turnout.

- *EOST 94- our players trip to Sth Aust. One we wont forget.
- * Celebrating Kev Burt's 300th game on Sunday 27th Feb. at the clubrooms
- *The Third Eleven. Coming from the bottom of the ladder to win 9 straight games and play off in the Grand Final.
- * Club life has been fantastic this year.
- * This year the Club played tennis and cricket against the tennis club and also four of the boys appeared in the church revue.

Finally, to maintain our present place in the community S.T.C. needs to be an important part of your lives. Remember the old saying

"When you're down at S.T.C. there's just no better place to be"

Bernard Docherty
President.

SECRETARY'S REPORT

After two years of consolidation not only are we now in a stronger financial position, with a strong administration and a large number of other helpers and an increasing list of players but in 1993-94 we completed what could be said to be our best ever on field performance. With the First XI making the semi-final, the Third XI making the Grand Final and both Under 14 sides making their Grand Finals with one win.

All of the above show a Club heading in the right direction - at the end of season 1992-93 we said our aim was to continue to improve our onfield performances - our problem now is to continue to improve with that ultimate goal of a Senior team premiership.

My thanks to all members of the Executive for all their work, Bernie Docherty with his infectious enthusiasm, Rob Hoich with usual efficient running of the Juniors and Peter Pawsey having our financial position under control.

Our committee of Gary Chard, Rick Corbett, Jack Krohn, Bob Parker and Steve Ross worked well together to cover Parks and Gardens meetings, CFN Night, Howzat, ESCA meetings. This working together was shown at its best at the Christmas Party and the Junior Presentation Night which were both outstanding successes.

Many others assisted in running the Club, at the pre-season working bee, in the canteen, team captains, junior team managers assisting at training and our sponsors. All of these areas must be attended to for the Club to run smoothly - thanks to the assistance of many people - it did.

Finally in my last statement as Secretary I would like to express a special thank you to my wife Deb for all her assistance, support, patience, encouragement and understanding.

Kevin Burt

Secretary

JUNIORS REPORT.

The 1993-94 season will go down as our best ever, both in terms of our on field success and in the participation by a large number of people off the field. Our older Under 14's who narrowly missed out on winning the Grand Final last year, were magnificent all season and deservedly won our first ever Junior Premiership. Well done boys.

Not to be outdone our younger Under 14's performed beyond my wildest expectations by not only finishing on top of the ladder, but by very nearly winning the premiership themselves. Their effort was inspirational to everyone at the Club and the good news is that most of the boys are still under 14's next season.

The Under 12's who of course do not play finals, also performed admirably throughout the season and both the "Blues" and the "Reds" finished fairly handily placed on the ladder. As I said in my opening sentence, it was our most successful season to date. Congratulations to you the players.

Off the field there were, of course, some very committed parents and members of the Club who so ably and willingly assisted in all the many jobs associated with fielding four junior teams. I would particularly like to thank the team managers, Arnie Maskiell, Peter Sandilands, Greg Spithill, Max Giblett and Gerry Walker who worked tirelessly this season. Kevin and Debbie Burt deserve due credit for the management and efficient running of the canteen. Special thanks to Julian DiStephano for coaching the boys on Tuesday afternoons. Also in this regard, I would like to recognise the efforts of Richard Corbett and Anthony Purcell who assisted on many training nights.

Thank you to all the parents who helped out when it was their turn on the duty roster and in particular, Tim and Sue Bach who umpired and/ or scored week in week out.

Thank you to all the Senior players who helped out in some way during the season. Collectively, I sincerely re-iterate my thanks to everyone who made my job a good deal easier.

Here's to an even better 1994-95 season.

Rob Hoich

Junior Co-ordinator.

TEAM CAPTAINS END OF SEASON REPORTS

FIRST ELEVEN

The consistent attendance at training together with the enormous spirit and mateship largely contributed to the first eleven successfully reaching the finals.

Of the 17 players used the outstanding performer once again was our Club Champion Peter Williams. Peter played in only eight games but still managed to achieve over 30 wickets with best performances being 7/36, 6/31 and 5/41.

Other notable performances were; vice captain Big Dickie Corbett taking 8/43 against South Camberwell, and Chris Hoare, dual winner of the Basil Finnigan Medal and the batting award with top scores of 85 not out and 63.

It was again extremely disappointing that our inconsistent batting again let us down in the semi final. To achieve A Grade success we have to bat with a more aggressive attitude and a positive approach.

I would like to thank the Committee and First Eleven players for their continued support throughout the season.

P.J.DOCHERTY (CAPTAIN)

SECOND ELEVEN

The Second Eleven finished the season in a blaze of glory winning every game after Christmas- the only problem was we failed to win any games prior to Christmas. After looking likely to be relegated at the mid season break the side finished the season in 7th place and missed the four by only two games.- a good effort and hopefully a leader to better things in season 1994-95.

There was a very high turnover of players with 34 players participating during the season.

Rob Molloy and Terry Spithill generally opened the innings with a solid start but rarely going on with the job. It was not until Steve Ross, Peter Lynch and Rowan McDowall played after Christmas and showed some consistency did the batting improve. Dan Shacklock showed in his late return to the Club that he has the capacity to fill a top order position in the twos.

James Hall was the outstanding bowler in the team taking the bulk of his 33 wickets with medium pace bowling. He decided to switch to leg spinning during the season and it is in this field that James may prove to be a first eleven player of the future.

The efforts of our keeper Gary Chard need to be noted. With the worst knees in the ESCA he still showed he had some of the best hands. He rarely missed a

chance and supported all bowlers in the toughest job in cricket. Hopefully his end of saeson operation on both knees will allow him to return to this position in 1994-95.

A number of outstanding performances need to be noted;

Rowan McDowall	97
Peter Lynch	85 twice
Julian DiStephano	66
Rob Molloy	60
James Hall	7/38, 5/28 & 5/50
Mark Molloy	5/45

My thanks to those experienced old faces in the twos who supported me and provided ideas in our attempts to win, in particular Mick Burslem, Gary Chard, Mick Mitchell and Rob Molloy.

KEVIN BURT (CAPTAIN)

THIRD ELEVEN REPORT

The season got off to a poor start with us loosing three and drawing one out of the first four rounds. We struggled to get a consistent team together, but then everything clicked and we won every game for the rest of the season except for the Grand Final (nine in a row in fact). It was a team effort all year and everybody contributed in some form or other.

Josie Murray	:maiden century,consistent opener, and tireless talking in the field.
Peter Lynch	:most improved player, consistent in the field and with the bat
Terry Burt	:7 wickets in an innings, three 50's for the season, and the all rounder trophy.
John Spithill	:two scores in the 90's, and cleaned up the tail with the ball
Tim Allen	:23 catches,4 stumpings and won the batting average.
Simon Casey	:consistent year with the bat(40), handy with the ball as well
Andrew Murray	:dragged from retirement, only to fire in a loosing grand final side.
Bob Parker	:captain,and all round nice guy,who bowled in the grand final.
Tony Michaelidis	:vice captainand all round nice guy who did not bowl all season.
Anthony Purcell	:tireless in the field, handy with his spin, and a good tonk with the bat.
Chris Wood	:on fire with the ball all year, but most unlucky, great tonker with the bat.
Phil Featherstone	:number 11 bat, first change bowler, won the bowling averages (and the biggest death award)

Others who deserve a mention are Neil "Dude" medlin, Kelvin Engellenner, Ken Hall and Nathan Maskiel who filled in at one time or another with good efforts.

I could ramble on and death you for pages and pages but I wont so I will finish up and say, thanks to the committee for having faith in me to captain the side, thanks to the boys and I hope to see all the thirds down at S.T.C. next year to go that one step further.

Well done thirds!

BOB PARKER (CAPTAIN)

FOURTH ELEVEN REPORT

Its hard to look back on our season without a wry smile. Just for the record the fourths fielded 35 different batsman and 29 bowlers. new players to take part in their first game included Adam and Peter Slomczewski, Andrew Barbour, Chris and Jim Mitrokli, Frank Sadler, Andrew daley and Phil Featherstone. Youngsters to play their first senior games included Rob Feretzanis, Daniel Burt, Steve O"Connell and Ryan Chard. We also had some cameo performances from the likes of Bromley, Drew, Pugsley, Bags(no votes), Fraser McDowall, Joffa, Rob Hoich, Damsk, Johnny Spits, Rohan Holt and the ubiquitous Ferra.

It's a pity we couldn't play all of these people at the same time, maybe then we would have made the finals. as it was we generally struggled for numbers and this I believe is what bought us down in the end. I dont think there was one Saturday when the selected side was the side that took the field. That however did not dampen our enthusiasm at anu stage and I feel we played the game in the spirit required at all times.

I would like to take this opportunity to thank all the regulars, Scotty, Curry, Pucko, and Kevin Lynch. In particular Kevin Lynchs performance as Vice Captain was invaluable and I recommend him to a higher playing position within the club.

Some would argue that the suspensions to Messrs Boyd and Slomczewski were devastating to our finals chances. I believe however that we must be Clubmen before we can be anything and if you want to be part of a Club then you must abide by the decisions of the Club and conform to the rules. The strength of any Club lies in its members faith in the Club, not as individuals or teammen but ultimately as clubmen.

A few outstanding efforts need to be listed;

Kevin Lynch's 4000 runs and 300 wickets for the club during the season.

Frankie Scott's 50th game

Adam Slomczewskis 7 wicket haul against Kew Deaf

But for me the outstanding performance of the season goes to those great youngsters Steven O'Connell and Ryan Chard. Their record 76 run last wicket partnership against bulleen will be recalled with great delight by those lucky enough to have witnessed this great event . I congratulate these boys and look forward to watching them progress through the ranks at S.T.C and beyond.

It is without doubt that we were the happiest losers in the history of cricket. To those who played with me this year I thank you for your efforts and commend you on your performances. That so many people were introduced, turned over or made a comeback to the fours indicates perhaps the role this team should be used for: I hope as captain that all enjoyed their cricket and wish everyone all the best.

PETER McBREARTY (CAPTAIN)

S.T.C. TENNIS TEAM

S.T.C. has now become a well known affiliate of the Waverley District Tennis Association through the exploits of the first official S.T.C. Cricket Club tennis team,(and the antics of J.Krohn).

Under the watchfull eye of captain Chainsaw McCulloch, the team has developed into a well greased and oiled machine. There have been several players this season including Rick Corbett, Ross Moore,Bernie Docherty, Jimmy Hall, Peter Warcaba and David Robinson.

However, the most notable player of all has been the rampaging Jack "Jonty" Krohn. Having put the raquet away in 67 after his win at Wimbledon, (its still the same raquet) Jonty was more than keen to pull on the famous royal blue twin stripe trachsuit and give his all. Thanks for the memories Jack.

S.T.C. is now embarking on its first tennis pennant and goes into the semis with the following lineup

1. McCulloch.S.
- 2 .Docherty.B.
- 3 Corbett.R.
4. Moore.R.

Premiers 14/6/94.

All the best and congratulations on a successfull season.
