marching on...*

*Celebrating 35 years
of STC Cricket
1967-2002*

STC South Camberwell Cricket Club Inc.

All correspondence to: The Secretary, PO BOX 2037 CAMBERWELL WEST 3124

Saturday, 2 February, 2002

Dear Club Member,

On behalf of President Gary Chard and Committee of STC South Camberwell Cricket Club, it is my great pleasure to table the Official 35th Anniversary Club History.

This document contains a full history of the Club's development from a small parish based organisation, to its current position as a strong and viable force in the Eastern Cricket Association. Included in the history are all team and club records, as well as career statistics for every player that has ever pulled on that famous red cap!

Special thanks must go to Mr John Krohn for his tireless work in preparing this document, and to Mr Richard Corbett for his work in bringing the document to print.

I hope you all enjoy reading '*The Saints Go Marching On*'.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Paul F. Zennaro'.

PAUL F. ZENNARO
Hon. Secretary

Season 1967 - 68

In mid 1967 Alan Yarwood called out over the side fence to his next door neighbour Peg Burt, "Is your husband interested in cricket?". That remark was the beginning of STC South Camberwell Cricket Club. Alan Burt was overseas at the time; on his return, he and Alan Yarwood enlisted the help of Joe Cain and the curate of the local Catholic church of St. Cecilia's, Fr. John O'Callaghan, in fielding a team from the local church.

An approach was made to Rev Wittingslow of the local St Mary's Church of England to sponsor the club, to be known as St Cecilia's Cricket Club, into the Eastern Suburban Churches Cricket Association. That Association however refused to accept the club into their competition as at that time Catholic clubs were not allowed to enter.

An application was then made to Mr Alf Dunstan, the President of the Eastern Suburbs Cricket Association (ESCA), for admission into their competition. ESCA advised that we would be accepted into the Association but only in the lowest grade of matting, ie C Grade. This small group then decided that the club must be given a name. It was decided to retain the Church connection at St Cecilia's but not to use the church name as we were not entering a Churches competition. To this end the name STC (ie St. Cecilia's) South Camberwell was chosen.

Through the secretary of the Nettleton Park Committee of Management, Mr Jack McGuinness (also a parishioner at St. Cecilia's), the group was able to obtain the shared use of a pitch at Nettleton Park. Summerhill Road Methodist Cricket Club were the co-tenants.

This small group then began a search of the local district for other cricketers with any ability at all, or at least a pair of cricket whites. The club's first match was played on 7/10/67 against Willison Park, as an away fixture in B Grade matting. We had been graded in B Grade due to a strong representation by both Alan Burt and Alan Yarwood. Our first team in batting order was:

1. Alan Burt (C)
2. Denis Sully
3. Fr John O'Callaghan
4. Bob Fitzwilliam
5. Peter Liston
6. Julian Fitzgerald
7. Geoff Burt
8. Damian Nolan
9. Mick Spencer
10. Peter Sandilands
11. Peter Commons.

Our first on field effort was very poor. Batting first we were all out for 44; over half the runs coming from Denis Sully with 24. Willison Park declared at stumps on the first day at 5/138, Denis Sully taking 4/25. In our second innings we regrouped but were all out for 62. The game finished by 3.30 on the second day.

Following this less than illustrious start, the "Think Tank" put their heads together and recruited well for the second match. New faces included Alan Yarwood, Harold Burridge, Peter Onley and Joe Cain (who made a sound 79), and the team combined to beat Kew Footballers.

By the 4th round, the side was set with Alan and Kevin Burt opening followed by Alan Yarwood, Peter Onley, Harold Burridge, Joe Cain, Denis Sully, Dennis Harrison, Julian Fitzgerald, Peter Liston and Peter Sandilands. This batting line up, combined with the opening attack of Sandilands and Harrison, went on to make the B Grade semi finals. Unfortunately we were defeated by Hebco, later known as Box Hill South. The defeat was inflicted mostly by Ray Webster who scored a century in each innings.

Highlights of that first year included:

- The Club's first century, by Alan Burt, 102 against AYC. Two matches later the Club's co-founder, Alan Yarwood, also reached the ton with 124 against Wattle Park. Joe Cain showed consistent form throughout the season with 598 runs. Peter Sandilands led the bowlers with 47 wickets; Dennis Harrison was not far behind with 40 wickets.

The Club's Committee for its first season consisted of:

President: Alan Yarwood
Vice Presidents: Jack Dwyer, Joe Cain, Gerry Mazoletti.
Secretary: Alan Burt
Treasurer: Peter Commons
Committee: Fr O'Callaghan, Julian Fitzgerald, Peter Liston.

Season 1968 - 69

Following our outstanding start in B Grade, the ESCA Executive realised our potential and promoted us to A Grade for season 1968/69. During the season we picked up a number of recruits in Mick Goonan, Jimmy Hall, John Rathjens, Michael Cain and John Aspinall.

In our first match in A Grade we were annihilated by Auburn who beat us outright by an innings and 120 runs. Immediately after the drawing of stumps we continued on for some much needed practice. This did some good as we won 9 of the following 11 home and away matches.

The team for the finals was:

1. Kevin Burt
2. John Aspinall
3. Harold Burridge
4. Michael Cain
5. Denis Sully
6. Alan Yarwood
7. Joe Cain
8. Alan Burt (c)
9. John Rathjens
10. Denis Harrison
11. Peter Sandilands.

We met Park Orchards in the first semi-final. They won the toss, batted, and were all out for 162, with Joe Cain taking 4/32. In reply STC made 211, Joe Cain 61 and Alan Yarwood 55.

On the 15th of March 1969 we fronted up at the Victoria Road Auburn ground to meet the undefeated Booroondara team in the battle for the A Grade premiership. In the final our captain Alan Burt won the toss and batted; we were quickly dismissed for 114 before the tea break with Alan Yarwood making 37.

John Aspinall and Peter Sandilands opened the bowling attack and the wickets tumbled. Wickets fell at 2, 5, 16, 28, 29, 34, 39, 41, and with the last ball of the 25th over they were all out for 45. John Aspinall bowled 13/5/6/22 and Peter Sandilands 12/2/3/21. STC batted again and at stumps were 1/20.

During the second day's play STC went on to build up their second innings score to 184. Kevin Burt, opening, scored 52 and had solid support from Joe Cain with 40 runs. However at stumps on the 2nd day Booroondara were already 1/51 and it looked ominous for STC.

Saturday the 29th of March saw an enormous crowd of friends, relations and St Cecilia's parishioners gather to support the local lads in their fight for the flag. The second wicket fell with the score on 77 with Booroondara still requiring 182 to win. Wickets fell slowly with Booroondara 5/172 at tea, still needing 87 runs to win.

Somewhat refreshed we took the field after the tea break and continued to show our fighting spirit to have Booroondara 6/191, 7/203, 8/204, 9/214 and at 4.44 pm pandemonium broke loose when Joe Cain trapped the last batsman LBW. Booroondara were all out for 223 and STC had won its first A Grade flag by 33 runs. Our outstanding bowler was Joe Cain with 4/38 from 13 overs.

Highlights of the season were:

- Our first A Grade Flag.
- Two centuries by Michael Cain 110 and 120.
- Dennis Harrison taking 55 wickets for the season.
- John Aspinall taking a hat trick against A.Y.C.
- Kevin Burt taking 37 catches for the season.
- Dennis Harrison winning the club championship for the second year.

Season 1969-70

After the success of our first flag the committee decided that with the support and success we had we should start a Second XI.

The First Eleven had a disappointing year finishing out of the finals for the first time, in 5th place. The highlight of the season was a century in 164 minutes by Jimmy Hall in the Australia Day game against Box Hill South.

Our Second Eleven was led by Leo Sandilands with a few new faces at the club introduced during the year; among them were Brian and Michael Wignell, Kevin Dwyer, Peter Liddy, David Nelson, John Goonan, Geoff Goonan, John Sandilands and John and Mick Yarwood.

The team finished in 9th place with only 3 wins. There were only four scores over 50 for the season by Peter Liddy, Brian Wignell, Geoff Burt and David Nelson, all of whom went on to play in the First XI. The best of the bowlers was Peter Liston with 33 wickets. Dave Nelson took a hat trick against Wattle Park.

Season 1970-71

Under the captaincy of Alan Yarwood, the First Eleven got off to a flying start, winning its first three games, and at the end of the home and away games finished in second place. In the semi final we played Doncaster who were dismissed for 146, and in reply we made 186. Doncaster batted again and were dismissed for 139. STC made our second A Grade final with 2/102.

Our opponents in the A Grade premiership were Willison Park. We won the toss and put them in; Willison Park were dismissed for 213, with the wickets being shared by Aspinall, Martin, Sandilands and Rathjens. STC in reply made 283, Alan Yarwood with 79 and Mick Cain 64. Willison Park were dismissed in their second innings for 126 with Aspinall taking 5/59. STC lost only 3 wickets in winning our second flag.

Our premiership team was:

1. Kevin Burt
2. Denis Sully
3. Peter Liddy
4. Michael Cain
5. John Martin
6. Alan Yarwood (c)
7. Alan Burt
8. John Aspinall
9. John Rathjens
10. Dennis Harrison
11. Peter Sandilands.

Team highlights for the season were:

- 585 runs by Michael Cain with a top score of 138
- Centuries by Peter Liddy and Kevin Burt
- John Aspinall with 48 wickets was the outstanding bowler
- Peter Sandilands with 28 wickets

- John Martin with 27 wickets.

The Second Eleven also improved considerably to finish in 6th place. New players were Bernie Brell, Tony Hall, Ron Ware, Paul Aspinall and Peter Onley. The best bowler for the season was Geoff Goonan with 34 wickets which included a hat trick against North Balwyn.

Season 1971-72

For the next three years the club struggled. This may have been due to a loss of our early enthusiasm. The First Eleven finished in the middle of the ladder each year.

The Second Eleven in 1971-72 finished in 3rd place, losing the semi final to Balwyn. STC made 134 but Balwyn struggled past with 143. Warren Pendry and Peter Onley both scored 32. STC were all out in their second innings for 116 with Bernie Brell scoring 30. Balwyn were in all sorts of trouble at stumps being 8/64, however having won on the first innings progressed to the final.

Brian Wignell and Warren Pendry became the first century makers for the Seconds with 101 and 103 on the same day against Glen Iris. Over 30 wickets were taken by Geoff Goonan, Paul Aspinall and Peter Onley during the season.

Season 1972-73

In 1972-73 the club took a further step forward with the formation of an Under 16 team. The team struggled all year but managed to finish in 8th place.

Highlights from the First Eleven were 509 runs by Mick Cain and 37 wickets by John Aspinall.

There was only one highlight for the Seconds during this season when Paul Aspinall defeated West Hawthorn almost on his own. In the first innings Paul took 7/14 however in their second innings he managed to improve on this with the remarkable figures of 4.5 overs 9 for 18. These figures included a hat trick.

Season 1973-74

In 1973-74 the Second Eleven made their first grand final. Under the captaincy of the late Jack Leahy, they met Canterbury in the semi-final. Canterbury battled first scoring 159, Kevin Lynch taking 5/43. In reply we made 283, Mick Wignell top scoring with 146.

Unfortunately in the grand final we were dismissed for 90 after batting first, in reply Surrey Hills made 252. We were again dismissed cheaply for 157 in our second innings.

The only highlight in the final was the 41 scored by Dirk Balthazaar. It was Dirk's first year in senior cricket and he obviously showed his future potential with 532 runs for the year with 11 scores over 20. Dirk was the first of our junior cricketers to go on and play senior cricket and then proved to be one of the best batsmen in the sub-district cricket competition.

In this same season our Under 16s made the semi-finals for the first time but were unfortunately defeated by Ashwood.

Season 1974-75

In 1974-75 the club took a further step in its growth with the formation of a Third Eleven. The Thirds in their first year started in C Grade and did very well finishing in 5th place, winning 7 out of their 10 games. This team had been started up to give our first group of graduating Under 16s their chance to play cricket at a senior level.

The top batting performance in the Thirds came from Doug Baguley with 548 runs, with every innings being in double figures. Best of the bowlers were Peter Doos with 27 wickets and Eugene Fitzwilliam with 26 wickets.

The First Eleven finished 3rd, losing decisively in the semi-final to Box Hill South. Although the semi-final was lost through bad batting, our strength during the year had been our consistent batting; over 200 runs were scored during the season by John Sullivan, Warren Pendry, Mick Wignell, Basil Finnigan, Dirk Balthazaar and Kevin Burt.

The Second Eleven in their first season in B Grade had only one win and finished last. There were no notable performances as one would have expected.

From the club's first two Under 16 teams, Greg Wignell, Dirk Balthazaar and Peter Ormond became regular First XI players. Bryan Cain, Alan Davies, Brendan Wignell and Mick Drew became regular Seconds players. In the Thirds were John Krohn, 210 runs, Eugene Fitzwilliam, 374 runs and Brendan Wignell, 369 runs.

At the end of season Presentation Night our first life members, co-founders Alan Burt and Alan Yarwood, were appointed.

Season 1975-76

In 1975-76 the First XI had an ordinary season, finishing in the middle of the ladder. The only highlights of the year were 223 scored by Greg Wignell between 5.30 on the first day and 5.05 on the second. We scored 9/463 in reply to the Glen Iris score of 249. The other highlight of the season was Eugene Fitzwilliam's 8/27 against Malvern City.

The Second Eleven after being demoted to C Grade made the grand final again, however they were defeated again. In the semi-final Bulleen batted first, making 296, with Brendan Wignell taking 4/65. In reply STC made 373 with 84 from Greg Spithill, 60 from Mick Yarwood and 55 from Pat Spithill. In the final we were overwhelmed by St Kevins who made 588, Doug Baguley showing his versatility taking 4 wickets. In reply we made 209, Greg Spithill again top scoring with 59.

The Third Eleven really struggled, winning only 2 games and finishing second last. Both the batting and bowling were carried by Bernie Brell and Kevin Lynch.

Season 1976-77

All the club records for 1976-77 are missing, and after checking the records of the ESCA it is understandable. They were probably burnt. The First Eleven finished second last, avoiding relegation by drawing the last game of the season against the eventual premiers. We batted first and managed to bat with the help of the weather for both days. The opening bat Kevin Burt carried his bat for an undefeated century. Also during the season Mark Robertson set a new First XI record with 228, surpassing Greg Wignell's 223 the previous season.

The Second Eleven also struggled, finishing third last, and the Thirds finished second last.

Two very important figures in the club's formative years, Kevin Burt and Peter Sandilands, were recognised for their efforts with well-merited Life Memberships.

Season 1977-78

Season 1977-78 saw the First Eleven again battling, finishing towards the bottom of the ladder. Mick Wignell scored the only century with 109. Our bowlers struggled all year.

The Second Eleven won their first flag with an even performance throughout the season. Over 200 runs were scored by Eugene Fitzwilliam, Pat Spithill, Gary Kerr, Mick Yarwood, Alan Yarwood and Bernie Brell. Bryan Cain led the attack with 45 wickets supported by Eugene Fitzwilliam with 32 wickets.

In the semi-final Canterbury were dismissed for 125, Eugene Fitzwilliam taking 6/65. After a tense battle, STC took the points eight wickets down, and went on to make 192, Bernie Brell top scoring with 48.

The Grand Final was played at Ashwood against the Bulleen Cricket Club. STC batted first and made 304. Eugene Fitzwilliam scored 67, Peter Tyson 53 and Alan Yarwood 52. In reply Bulleen were dismissed for 191, were forced to follow on and were dismissed in their second innings for 83, giving the Saints a comfortable innings victory.

The premiership team was:

1. Peter Tyson
2. Gary Kerr
3. Eugene Fitzwilliam
4. Pat Spithill
5. Alan Yarwood (c)
6. Bernie Brell
7. John Krohn
8. Mick Yarwood
9. John Yarwood
10. Bryan Cain
11. Ken Aranha

The Thirds, now in E Grade, struggled to finish in 8th place. Apart from Jimmy Connell with 349 runs and 42 wickets, it was a year best forgotten by the Threes.

Bob Fitzwilliam, who had worked hard off the field to help establish the club, was presented with his Life Membership at the end of the season.

Season 1978-79

In 1978-79 the First Eleven again battled, finishing in seventh place; the only highlight for the season was Greg Wignell's 39 wickets.

After being promoted to B Grade following their success of the previous season, the Second Eleven were again unable to cope and finished last on the ladder.

The Third XI however won the club its fourth premiership flag, with a great year from skipper Basil Finnigan with 770 runs and 69 wickets, and a little help from Tim Finnigan with 333 runs and Rod McGregor with 468 runs. Of the other bowlers, Dan Murray finished with 41 wickets.

In the semi final we were dismissed for 144 runs with John Krohn top scoring with 38. Burnley C.Y.M.S. in reply were dismissed for 68, Basil Finnigan taking 7/22 from 8.5 superb overs.

Camberwell batted first in the grand final and were dismissed for 94, Pat Wignell taking 4/27. STC in reply made 182, Basil Finnigan top scoring with 53. In their second innings Camberwell fought back well to declare at 6/235, Dan Murray and Basil Finnigan each taking 3 wickets. When the two top scoring batsmen of the season, Basil Finnigan and Rod McGregor, fell for 0 and 4 respectively, the pressure was really on. With 143 still required, the young pair of John Krohn with 57 and Tim Finnigan with 53 steered the team towards the flag. The final margin was five wickets.

The premiership team was:

1. Basil Finnigan (c)
2. Rod McGregor
3. John Krohn
4. Tim Finnigan
5. Mark Crossin
6. Pat Wignell
7. Geoff Akero
8. Dan Murray
9. Mick Drew

10. John Spithill
11. Peter Pawsey.

Season 1979-80

For the first time in many years the First Eleven finished on top of the ladder at the end of the home and away matches in 1979-80. However we were narrowly beaten by Malvern City in the semi-final by 15 runs. Only twelve players were used in the First Eleven during the season, and the team's strength was its evenness and consistency.

Centuries were scored by Kevin Burt and Greg Wignell, and 6 batsmen scored over 200 runs for the season. Greg Wignell had an outstanding season with the ball as well, taking 57 wickets, and was well supported by Alan Davies (34 wickets) and Basil Finnigan (27). In the match against Mulgrave Greg Wignell bowled 18.5 overs (9 maidens) and took 9/25. Later in the year Basil Finnigan bowled 30 overs taking 8/103.

The Second Eleven also participated in the finals and finished in fourth place, being comfortably defeated by Mt Waverley in the semi-final. Mt. Waverley made 300 and in reply STC made 190. Bernie Brell took 4 wickets and our top scorer was Pat Spithill with 60.

During the year centuries were scored by John Krohn 108 and Basil Finnigan 119 and 250 not out against East Doncaster (the club's third double century and still a club record for all teams). Top bowler for the year was Brendan Wignell with 25 wickets.

After their premiership the previous year, the Thirds were promoted to D Grade and like the Seconds of 1974-75 finished last. For the first time an STC team went through a season without a win. Kevin Lynch with 130 and 110 in the last two games scored more runs in two innings than any other batsman scored in the year.

Michael Wignell's many seasons of unobtrusive but excellent Committee work were rewarded with the announcement of his Life Membership.

Season 1980-81

The First Eleven lost only two games in making the four. The batting was led by Greg Wignell with 631 runs including 3 centuries, Kevin Burt 489 runs, and Mick Wignell 480 runs. Greg led the way with the ball as well, taking 50 wickets.

In the semi-final against Kooyong we made 7/231 cc with none of the batsmen reaching 50. In reply Kooyong were dismissed for 178 with Greg Wignell taking 7/88.

In the grand final we played AYC. Batting first we made 241, with Kevin Burt top scoring with 72. In reply however AYC made 395. This season was the beginning of a relatively successful period for the First Eleven being runners up for 4 years out of 6. The premiership continued to evade us however for a number of years.

The Second Eleven finished 6th, Pat Spithill scoring the only century of the season with 132 in a total of 448 runs for the season. Bernie Brell lent good support with 277 runs and 20 wickets.

For the first time the club had two teams in a grand final in the one season, and unlike the Firsts the Thirds were successful under captain John Spithill, winning the Club's fifth premiership. During the season centuries were scored by John Spithill (120) and Brendan Boyd (102). The leading wicket takers were Leigh Jondahl with 33, Gerry Parsons with 28 and Tim Finnigan with 27.

The semi final against East Doncaster was affected by adverse weather and STC went to the grand final having finished higher on the ladder. East Doncaster were dismissed for 175 with Tim Finnigan taking 7/51; in reply STC were 3/130 with Bernie Docherty scoring 50 and Pat Wignell 51.

In the grand final Mont Albert asked STC to bat first and we were dismissed for 199, Brendan Boyd top scoring with 32. Mont Albert were dismissed in their first innings for 133, John Marshall and Leigh Jondahl each taking 3 wickets. STC in our second innings were dismissed for 195 with John Spithill scoring 50. Mont Albert were also dismissed for 195 in their second innings, giving STC an outright win. Leigh Jondahl had taken 6/58 off 23 penetrating overs.

The grand final winning team was:

1. Bernie Docherty
2. Mick Mullaly
3. Pat Wignell
4. Brian Mazoletti
5. John Spithill (c)
6. Brendan Boyd
7. Mick McGettrick
8. John Marshall
9. Tim Finnigan
10. Gerry Parsons
11. Leigh Jondahl

Season 1981-82

Season 1981-82 was not a good one with none of the sides making the finals. After being runners up in 1980-81, the First Eleven finished in fifth place, Greg Wignell again leading the way with 550 runs, including 3 centuries. The only other century was scored by his brother Michael. Peter Sandilands had his best year yet with the bat, scoring 413 runs. This was a big change for the number 11 batsman of 1968-69 who usually did not get to bat because his captain would declare on him to save time. The bowling was again led by Greg Wignell with 39 wickets and Basil Finnigan with 29 wickets.

The Second Eleven finished in seventh place after a disappointing season. Centuries to Alan Yarwood and Kevin Lynch were the only batting highlights for the season. Tim Finnigan was the only bowler of note with 33 wickets.

The Third Eleven season was even worse finishing in tenth place; no batsman scored over 200 runs for the year and the only century was scored by Mick Yarwood. Leigh Jondahl was the only bowler of note with 26 wickets.

Season 1981-82 also saw Greg Wignell win his second consecutive A T Dunstan Medal for the best player in the ESCA in A Grade Matting.

Season 1982-83

In 1982-83 the First Eleven were again runners up, this time to Box Hill Districts. The batting was led by Bryan Cain with 451 runs; Peter Sandilands, Greg Wignell, Mick Wignell and Kevin Burt all scored over 300 runs for the season. Despite this performance, the only centuries were scored by Peter Sandilands (114) and Bryan Cain (104). Greg Wignell was outstanding with the ball taking 61 wickets; Basil Finnigan took 37 wickets.

In the semi-final we played South Camberwell; they batted first and were dismissed for 182, Greg Wignell and Bryan Cain each taking 4 wickets. In reply we made 7/257 with Bryan Cain scoring 104.

In the grand final against Box Hill Districts, they batted first and made 299 from 140 overs. Greg Wignell bowled 33 overs and took 4/51. In reply STC made 201 with Eugene Fitzwilliam scoring 54 not out. Unfortunately we never really got into the game.

The Second Eleven really struggled and finished 9th. Alan Yarwood and Kevin Lynch were again the only batsmen of note scoring 503 runs (3 centuries) and 338 runs (1 century) respectively. Of the bowlers only Dennis Harrison who played in 4 games took more than 20 wickets.

The Third Eleven finished the season extremely well, winning the last three games, but finished the season in 5th place. The only centuries were scored by the McGettricks, Mick and Chris, with 123 and 101. Once again Leigh Jondahl led the bowling with 40 wickets.

Another highlight of 1982-83 was that Greg Wignell won his third consecutive A T Dunstan Medal in the ESCA. He became the only player to have won this award on three occasions.

Over the three previous years the club had been gradually increasing the number of junior teams it was fielding and for the first time in 1982-83 we fielded junior teams in all age groups ie Under 16s, Under 14s and Under 12s.

After 16 years the council decided that they should spend some money on the ground, and elected to connect power to the rooms. After 16 years of kerosene lamps, civilisation had finally come to Nettleton Park.

Season 1983-84

The club took a further step in its growth by fielding a fourth eleven. This made us the largest matting club in the ESCA, fielding seven teams - not a bad effort for a club only 17 years old and with only the basics for facilities. This was surely a sign of a club that had been well administered over a number of years.

The Fourth Eleven in their first season finished in tenth place, winning only three games for the season. The side had done what all other new teams had done before them, provided a game of cricket for both the older players heading towards retirement and the younger ones coming up from the Under 16s. Some of the new younger players starting with the Fourths went on to play with the Firsts, including Gerard Finnigan, Rob La Greca and Mark Duggan.

During the season centuries were scored by Basil Finnigan (132) and John O'Callaghan (164) in their only games in the Fourths. Mick Kennedy and Mark Duggan with 10 wickets each were the leading bowlers.

Like two years previously, after being runners up the First Eleven missed the finals the next season, finishing 6th. Centuries were scored by Chris Hoare (125) and John Milenkovic (100). Michael Mitchell in his first season led the bowling with 34 wickets.

The Second Eleven were the only team to make the finals, but were beaten in the semi-final against Richmond City. Our opposition made 9/355 declared, with Kevin Lynch taking 5/94 from 29 overs. In reply STC scored 226 with Jim Hall scoring a whirlwind 90 not out in 65 minutes.

During the season the batting was not spectacular with only Alan Yarwood with 415 runs from 8 innings standing out. Like the batting, the bowling was even rather than overpowering; Kevin Lynch and Leigh Jondahl led the way with 27 wickets.

For the third year in a row the Third Eleven finished outside the four in ninth place, centuries to Pat Docherty and Mick Yarwood being the only batting highlights. None of the bowlers managed to impress.

Season 1984-85

The club for the first time had three of its teams in the finals. The First Eleven finished 2nd and the Second and Thirds both finished in fourth place.

The First Eleven played Mulgrave in the semi-final; Mulgrave batted first and made 198 with Pat Wignell taking 5/63 and Chris Hoare 4/36. In reply STC made 282 with Bernie Docherty scoring 66 and Brian McInerney 57.

The Grand Final against AYC was severely affected by rain; over half the day's play was lost on each of the first two days, and AYC being on top of the ladder had to be beaten. They batted until tea on the third day making 283; Mick Mitchell and Glen Findlay each took 4 wickets. We then had to score the necessary runs in two and a half hours - we managed 157 in 90 minutes with Bernie Docherty scoring 62.

During the season centuries had been scored by Brian McInerney (102), Chris Hoare (103) and Bernie Docherty (119). Our bowling had been our strength during the season with 5 bowlers taking 20 wickets or more; Glen Findlay with 26, Mick Mitchell (25), Chris Hoare (24), Bryan Cain (21) and Pat Wignell (20).

The Seconds in their semi-final played East Doncaster; batting first we made 244 with Rob La Greca scoring 96. In reply, and despite losing a wicket from the first ball of the innings, East Doncaster scored 3/265.

During the year centuries were scored by Basil Finnigan (131 and 129), skipper Peter Sandilands (111 and 102) and John Krohn (113). The leading bowlers were spinners Basil Finnigan with 31 wickets and Justin Murray with 25.

The Third Eleven met Mont Albert in the semi-final who made 8/292. In reply STC could only manage 167. There were no performances of any note in the match.

The only century scored during the year was by Geoff Walker with 119. Mick Drew and Gary Wittingslow scored over 300 runs during the season. Sean Spencer with 29 wickets was the leading bowler.

The Fourth Eleven struggled finishing 11th; John Krohn led the way brilliantly with 723 runs including 3 centuries - 203, 140 and 101. Of the bowlers Andrew Scanlon with 29 wickets (including twelve in one match) was the only bowler of note.

Season 1985-86

In 1985-86 the club again had three-teams in the finals with both the First and Second XIs reaching the Grand Final this time, but neither could pick up a premiership. The Thirds made the finals also, but again lost their semi-final to the eventual premiers.

The First Eleven played their semi-final against the premiers of the previous season, AYC. STC batted first and made 8/260 cc, Chris Hoare top scoring with 80. In reply AYC were unable to handle the situation and were dismissed for 134, Pat Wignell taking 4/46.

The Grand Final was played against South Camberwell. We batted first with 189, Bernie Docherty scoring 45. In reply South Camberwell slipped to 9/168, but the last man in proceeded to swing for 58 not out to take their score to 238. Once again lady luck had turned her back on us.

During the year Chris Hoare led the way with 733 runs (a club 1st XI record), with 2 centuries (159 and 100). Despite 4 other batsmen scoring over 200 runs the only other century was scored by Kevin Burt with 105. Pat Wignell was the most successful bowler with 31 wickets. He was well supported by Mick Mitchell (29) and Chris Hoare (25).

In the second eleven's semi-final against Deepdene, STC batted first and made 200, Gerard Finnigan top scoring with 48. In a nail-biting finish, Deepdene was all out for 193; Pat O'Callaghan and Basil Finnigan each took 4 wickets.

In the Grand Final against East Doncaster, we again batted first, making 233; Gerard Finnigan again was the top scorer with 49. East Doncaster in reply however scored 345.

The batting was led by John Krohn with 501 runs, Basil Finnigan with 468 and Mark Griffiths with 337. The bowling was led by the ageless Basil Finnigan with 42 wickets. He was well supported by the steady and reliable Adrian Barnett with 19 wickets.

In their semi-final the Third Eleven were unfortunately completely outclassed by Waverley, the eventual premiers. We batted first scoring 167, too small a target for the strong opposing batting line-up. For the season Gary Whittingslow scored over 300 runs, and Geoff Walker was the outstanding bowler with 39 wickets.

The Fourth Eleven also had their best year since their inception, and under the captaincy of Ian Constable finished in eighth position. The batting was led by Ross Harasti and Damien Hoy. Mick Kennedy, Ian Constable and Leigh Jondahl led the bowling.

A highlight of 1985-86 was the winning by Geoff Walker of the inaugural STC Medal. This new medal was awarded on the basis of votes cast by all captains after each match, and is eligible to be won by a player from any of the club's senior teams.

Another highlight was the win by Chris Hoare of the A T Dunstan Medal, which gave the club its second Dunstan Medal winner.

Season 1986 - 87

The highlight on the social calendar for the year was our twentieth anniversary dinner. We began the season with new clubrooms, which the council had taken nearly a year to build.

For the third consecutive year the First, Second and Third Elevens made the semi-finals, but none progressed to the final.

Chris Hoare was appointed First XI Captain for the first time, responding well with fine performances, taking 33 wickets and making 484 runs. This was topped off by his winning the A T Dunstan Medal for the second consecutive year.

The Ones began the season well, being undefeated till Christmas, but then lost three of the remaining four games. Finishing in third place, they met AYC in the semi-final at Nettleton Park. We won the toss and batted first, managing to get 235; Kev Burt top scored with 75. AYC made the runs easily, making 9/310, and went on to win the flag.

The STC Medal in its second year was won by Pat Wignell with 17 votes. Pat took 35 wickets and scored 238 runs in the Firsts.

Promoted to 'B' Grade after losing the 'C' Grade Grand Final, the Second Eleven enjoyed a successful season, finishing the home and away games on top of the ladder. The semi-final was played against South Camberwell at Howard Dawson Reserve. We batted first, making a disappointing 153. They passed our score and were finally all out for 237.

A highlight of the season was the game against North Balwyn. We finished at 2/267 after an opening partnership of 166 between Dave Zennaro, 124*, and Eugene Fitzwilliam, 61. The bowlers were the strength of the team throughout the season. Against Mulgrave we made only 118, but had them all out for 58. Adrian Barnett, Damien Slattery and Basil Finnigan all took more than twenty wickets for the season. Don Seca was the other century scorer for the team, 104* in a one-dayer.

For the third season in a row the Third Eleven appeared in the finals. Geoff Walker was the leading wicket taker with 32, followed by Justin Hoy, 23 and Paul Ledwidge with 21.

The batting highlight of the season was Tim Allen's 189, a personal best. Tim finished the season with 444 runs, with Dave Robinson next with 359. Pat Docherty and Rob Molloy both scored over 200 runs for the season, with limited appearances in the team.

The Fourth Eleven had a reasonable season, having 4 wins and 6 losses. Michael Kennedy as captain did well with the bat, making 417 runs, and bowled well with 17 wickets.

Season 1987 -88

The First Eleven this year enjoyed A Grade success that the club had not seen for seventeen years. Finally after many seasons of being nearly good enough, we became 'A' Grade Premiers.

Due to the ground being resurfaced, and drainage and sprinklers installed, we were unable to play or train on the ground until January.

For the first time the club decided to employ a professional coach. An approach was made to one of our past players, Greg Wignell, who was appointed. Greg capped off a tremendous season by winning the A T Dunstan Medal for the fourth time. He made 449 runs and took 48 wickets.

The STC Medal was renamed the Basil Finnigan Medal in honour of Basil's work and dedication to the improvement of all fellow cricketers at STC. The winner with 24 votes was Greg Wignell.

Bernard Docherty was appointed First Eleven Captain. His efforts in welding together a team in every sense of the word were reflected in the premiership win.

The Ones finished the season on top and met Mulgrave in the semi-final. Mulgrave were all out for 95 and then Kevin Burt and Gerard Finnigan scored the required runs by 2.30 on the second day with no wickets down.

South Camberwell were the opponents in the Grand-Final held at Victoria Road Reserve, Auburn. They elected to bat and the first day was hot and slow. At stumps they were 4/146. On the second day the temperature was again in the thirties and play was slow. At tea they were 5/223. The breaks came after tea and they were all out for 244, Pat Wignell taking 4/62. The side's fielding throughout was outstanding.

With 90 minutes to bat we lost opener Gerard Finnigan and night watchman John Krohn to be 2/17 at stumps.

Just before 2.00 pm on the third day we were in all sorts, losing 3 wickets for 8 runs, (Bernard, Greg and Chris) to make the score 5/61. Kevin went shortly after tea to make it 6/71.

This brought Pat Wignell and Mark Duggan to the crease and the recovery began. Slowly and patiently they added 44 runs before Pat went. Eugene joined Mark at 7/115 to bat out the last half hour of the third day.

On the fourth and final day these two continued to compile a 113 run partnership. Mark brought up his century before Eugene was run out for 36 with the score at 228. Mark was caught in the gully two runs later for a match-winning 105.

This left Pat Docherty and Damian Slattery, the last batsmen, needing 15 runs to win. Fifty-five minutes into the partnership Pat drove the ball to the boundary leaving 5 runs for victory. A no ball and a snick from Damian that went through slips for four gave STC their first 'A' Grade flag in 17 years. The unbroken fifteen run last wicket stand occupied eighty minutes and more than twenty overs.

The team in batting order was:

1. Kevin Burt
2. Gerard Finnigan
3. John Krohn
4. Bernard Docherty (c)
5. Greg Wignell
6. Chris Hoare
7. Pat Wignell
8. Mark Duggan
9. Eugene Fitzwilliam
10. Pat Docherty
11. Damian Slattery

The Second Eleven failed to make the finals, winning only three games. John Krohn as captain led well with the bat, scoring 470 runs, including an unbeaten 145. In that same match against Mt Waverley, Justin Hoy won the game with 9/82 (the other wicket was a run out). The other batsman of note was Greg Newman who scored 303 runs, including a century, 127.

The Third Eleven were promoted to 'C' Grade, and Kevin Lynch was appointed captain for the first time. They had a good season but just missed the finals. A few new faces to the club who played with the thirds were: Norm Evans, Rod Gason, Jeff McArthur, Rob Kimber and Alistair Bourrilhon (the latter three being recruits from the tramways, courtesy of Basil).

Basil managed to pick up his 400th wicket and 4000th run for the club. His season's bests were 131 and 6/32. Jeff McArthur finished the season with an average of 94, making 376 runs in 7 innings. Kevin also had another good season, making 347 with a top score of 101 no.

Andrew Murray was named captain of the Fourth Eleven for the first time. Unfortunately the team finished last, winning only one game. That didn't worry the Fours as they continued to enjoy their cricket. Leigh Jondahl took out the bowling awards with 22 wickets. Another highlight was John Giblett's century, 111* in his first game for the club.

Season 1988 - 89

In the aftermath of a premiership the club didn't have the most successful season. For the first time in ten years none of the sides made the finals. We had to drop the Under 14s team due to lack of numbers and the Under 16s played all games with less than 11.

All teams were unsettled during the year. Over 80 players were used during the season.

Unlike the previous season we did not have a professional coach for the seniors. However, we did appoint a professional coach for the juniors in Basil Finnigan. His popularity and success was shown in the increase in young players attending - approximately 30 Under 12s by the end of the season.

For the first time in many seasons the First Eleven finished out of the finals. They had 5 wins and 5 losses for the season. Eugene Fitzwilliam had another good season taking 27 wickets, with a season best of 8/41. Bernard Docherty topped the batting with 393, including the only century, 113.

Kev Burt tried to hang up his gloves at the start of the season, but didn't. He then recorded one of his best seasons, making 14 stumpings.

The Second Eleven had a rather unsettled year, a captain not being appointed till just before Christmas. They finished the season with four wins, one up on the previous year.

The Third Eleven finished just out of the finals, having lost too many of the early games. Basil Finnigan continued to prove age is no barrier, scoring 371 and taking 18 wickets. Two of the new faces in the team who showed some potential were Matt Boyd and Stuart McCulloch.

The Fourth Eleven had another enjoyable season, unfortunately without success. Some old faces returned to the game in John Aspinall, John Martin and Peter Onley. Captain Andrew Murray led well with the bat, scoring 366.

The Basil Finnigan Medal was a three way tie between Bernard Docherty, Eugene Fitzwilliam and Greg Wignell.

Season 1989 - 90

Four senior teams and two junior teams (both Under 12s) represented the club with the First Eleven reaching the Grand Final. Unfortunately we could not enter an Under 16 team due to lack of numbers.

The club obtained the services of Michael Learmonth as professional coach. Mick had a successful season as a player taking 68 wickets (club record), scoring 234 and winning the A T Dunstan Medal. It was the sixth time in ten years that the medal had been won by an STC player. Mick also won the Basil Finnigan Medal.

A new look re-arranged First Eleven with a sprinkling of promising young cricketers and an established bunch of campaigners, stormed their way into the finals, unfortunately losing to South Camberwell.

The semi-final was against Kerrimuir Utd. STC batted first, making 7/248 cc, Bernard Docherty top scoring with 98. On day two Kerrimuir was eventually all out for 212.

In the Grand Final South Camberwell batted first making 257. In reply STC made 173. South Camberwell in the second innings batted on, finishing the game 6/342. Eugene Fitzwilliam stood out with his 64 not out in his last game for some years with the club.

The Second Eleven had an average year, taking the points in only five games. Several of the better players from the previous season moved up to the Firsts, including Andy Michaelidis, Rob La Greca and Mark Molloy. With the batting, centuries were scored by Andrew Murray (109) and Julian Waisberg (103). Brian Green was the best of the bowlers with 24 wickets.

The Third Eleven, winning only 2 games, finished last and was relegated to "D" Grade. The best of the batsmen were Rob Molloy with 325 runs and Matt Boyd with 290.

The Fourth Eleven also finished towards the bottom, having only 2 wins for the season. The "Fighting Fours" lived up to their name. In one game they needed 146 for a backdoor outright. They fell short with 4/126 off just eight overs.

Another highlight of the season was the return of John Spithill for a one-day game, scoring 91. Kelvin Engellenner in his first season took 23 wickets and scored 229 runs. Leigh Jondahl came out of retirement and took 26 wickets in 5 games.

A comedy night was introduced to the Social Calendar, and was a huge success, featuring "Percy and Dickie" (Percy being past player John Canavan). Also on the social scene, the club purchased a pool table along with other new furnishings for the rooms.

EOST was created (EOST = End Of Season Trip). The inaugural trip was to Adelaide by train.

Bernard Docherty was rewarded for his services to the club by being awarded Life Membership.

Season 1990 - 91

Ian Constable was in his second year as President. We had four senior teams and two junior teams (both Under 12s) representing the club with the First and Fourth Elevens reaching the finals.

Captain Michael Kennedy took the "Fighting Fours" into their first semi-final; unfortunately they lost to eventual premiers East Kew. We were set 226 to win but were all out for 131.

Michael Drew did well with the bat, making 306 runs for the season and Michael Mitchell in his return to the club took 32 wickets.

Geoff Walker, the inaugural winner of the Basil Finnigan Medal, again won the medal. Geoff had a fine season with the Fours, scoring 278 runs and taking 35 wickets.

The First XI made it to the semi-final, but lost to Box Hill South. Peter Warcaba played an important role in the team's run to the finals, scoring 257 runs after Christmas. Bernard Docherty, whose start to the season was delayed by a knee injury, went on to score 2 centuries, 103 and 121no. The other century scorer for the year was Neil Henry, making an even 100.

Pat Docherty took over the captaincy of the Second XI after Tim Allen sustained a knee injury. Notable additions to the Twos were first year players Dickie Corbett, Peter Williams, Terry Burt and Steve Ross. Centuries were scored by Steve Ross (103) and Matt Boyd, (105). Dickie took 24 wickets, and Steve made 300 runs for the season.

The Third XI had a mixed season, finishing middle of the field. The main batting highlight was Bernard Docherty's 103, on the comeback trail from injury. Basil Finnigan came out of retirement for one game, scoring 80 and taking 3 wickets.

We retained the services of Mick Learmonth as professional coach and player. Mick picked up 31 wickets for the season and finished second in the A.T. Dunstan Medal. John Krohn, in addition to attaining 200 games this season, was awarded Life Membership at the Presentation Night

EOST'90 was well attended with 28 players making the trip to Tasmania. Michael Mitchell won man of the trip.

Season 1991/92

Bernie Docherty took over the presidency for the Club's twenty-fifth season. He also captained the First XI, made one of only two First XI centuries for the season (125), and won the Club Championship. Steve Ross also brought up a ton with 116. However, the Ones had a disappointing season, winning only four matches; the loss of several senior players from the previous season was unsettling and it took time for the replacements to find their feet in the tough A Grade competition.

The Second XI, captained by Pat Docherty, also picked up four wins, including one outright, to finish mid-table. Ross Moore made the only century, 105, as well as two fifties, and Rick Corbett collected two seven-wicket hauls with the new ball. Tony Michaelides led the Threes, also finishing near the middle of the ladder with a fifty-fifty return from the season. No centuries were made, although Rob Kimber and Kel Engellenner both made nineties. Kel also picked up a "five for", while Leigh Jondahl and James Hall both produced six-wicket performances.

It was left to the Fighting Fourths, led by Club Vice-President Rob Hoich, to carry the STC colours into the finals. Despite the loss of 16 match points due to administrative errors, the team finished fourth, and met top side and eventual premier Heathmont in the semi-final. The Heathmont batsmen quickly got on top of our bowlers, amassing a more than imposing 6/476, a target which proved well beyond our reach. However, the side fought the game out well, and the foundations for future success were laid by several players. Outstanding performances during the season included tons by Rob Hoich and new recruit Garry Chard, three five-wicket hauls by Joffa Walker on his way to winning his third Basil Finnigan Medal, and an extraordinary effort by Chris Wood in taking 9/48.

A vital development in 1991/92 was the reintroduction of an Under 14 XI, while we continued to field two Under 12 sides. As always, the emphasis was on participation, learning and enjoyment, and although all teams finished near the middle of their respective ladders, the season was a great success in the context of our junior objectives, and set the groundwork for further expansion of the junior component of the club in coming seasons.

A feature of the season was the 25th Anniversary Dinner in December. About 120 current and former players and supporters attended a great function, which included awarding of Life Memberships to Joe Cain and Bryan Cain, recognising their service as players and as stalwart sponsors of the Club.

Season 1992/93

The team of Bernie Docherty and Rob Hoich as President and Vice-President was re-elected at the AGM, as was Chris Bromley as Treasurer, while Kevin Burt made a return to the Executive in the vital Secretary's position. A new approach was introduced to pre-season preparation, with weekly indoor training sessions at Hawthorn Indoor Cricket Centre, and fitness work under the guidance of Chris Hoare at Nettleton on Sunday mornings. Unfortunately, the drenching spring weather provided an anti-climax, with the first three rounds abandoned in some grades without a ball being bowled, and play being possible on only five days of the twelve scheduled before Christmas.

Pat Docherty took over the captaincy of the First XI, deprived of the wicket-keeping magic of Kevin Burt who had hung up his gloves at the end of the previous season, and led the side to a semi-final berth against Box Hill South. During the season the uneven batting - only three players managed scores over 50 and Ross Moore's 101 not out was the only ton - was disguised by the great bowling of Rick Corbett and Peter Williams, and the bowlers again did a great job in the semi. However, the batting slumped once more and in pursuit of a moderate target of only 156 STC was all out nine runs in arrears. Willo and Chris Hoare both picked up six-wicket bags during the season, and Willo topped off a great year by winning the Club Championship and the Basil Finnigan Medal, and becoming STC's fourth A T Dunstan Medallist.

The Twos, captained by Rob Hoich, narrowly missed the finals despite an heroic last wicket stand of 98 between James Hall and prodigal son Julian DiStefano to win the last match of the season. The highest score for the year was made by Ross Moore (99), with several other batsmen also making 50s, while the best of the bowling included 8/66 by Phil Byass, 7/67 by James Hall, 6/29 by Damian Hoy and 5/42 by Greg O'Shea. The Threes also missed out on finals action, but produced two centurions - Matt Boyd (129) and rookie Rohan McDowall (112), while another first year player, Jeremy Hancock, picked up 7/29 in an inspiring bowling performance, and skipper Dave "Puggsley" Robinson found plenty to be optimistic about when reflecting on the season.

The Fourth XI, under Mick "Kanga" Kennedy, also struggled, winning only one game of the eight completed. Terry Spithill and Kev Lynch were the only players to achieve half-centuries, and were joined by John Spithill in collecting five-wicket hauls.

Once again STC fielded three junior sides, two Under 12s and an Under 14s. The co-ordination provided by Rob Hoich was invaluable, with both Under 12 teams (between which the talent was evenly shared) finishing in the upper half of the ladder, and the Under 14s becoming the first junior team to carry STC's colours into a final since the mid 1970s. Although the boys lost the semi-final narrowly, it was clear that, with most of the team still eligible for U14 selection the following year, there were great prospects for continuing under-age success.

The Presentation Night was marked by the awarding of well-merited Life Memberships to Club stalwarts Paul McHenry and Peter Pawsey. Both had served STC with great distinction on the Committee in a number of roles, including the pivotal position of Secretary, and had also made important contributions as players over many years.

Season 1993/94

The only change to the Committee at executive level was the replacement of Chris Bromley as Treasurer by Peter Pawsey. However, significant debuts were made in ordinary Committee positions by Garry Chard and Steve Ross, and the season featured several important milestones, in addition to the routine competition in ESCA.

STC broadened its representation by entering an Under 14 side in the Eastern Suburban Churches competition, which once daylight saving commenced at the end of October, played its matches on Friday evenings, a great innovation. It was certainly one which the STC boys handled magnificently, bringing home the Club's first ever under-age premiership in grand style. The Saturday morning Under 14 team also had a great season, reaching the grand final and recovering from an impossible position to all but steal the flag. Both Under 12 teams performed well, finishing well up the ladder, and strengthened the foundations for the future of STC.

Mention must also be made of the STC Ladies netball team which carried the STC name proudly, as did the off-season tennis team led extremely well by Stuart "Chainsaw" McCulloch. The season also featured social cricket and tennis fixtures against St Cecilia's tennis club, and was capped off by an End Of Season trip to South Australia, of which all the participants' memories conflict, and which is therefore assumed to have been wildly successful.

On the senior cricket field, the Firsts were again led by Pat Docherty, and again wound up the season with defeat in the semi final, this time at the hands of AYC. Unfortunately our batting in the semi was disastrous, with the side all out for 68. Although the fielding and bowling was inspired, and the second innings was a brave attempt to set up an unlikely "back door" passage to the grand final, the first innings failure was irrecoverable. The side was unlucky to be deprived of the services of fearsome opening bowler Peter Williams, whose thumb was broken by the last ball (a gentle off-spinner) in the nets on the preceding Thursday night. Willo was restricted to eight matches for the season but still managed over 30 wickets including three five wicket hauls and best figures of 7/36. Big Rick Corbett demolished South Camberwell in one match with 8/43, and Chris Hoare was the pick of the batting with best scores of 85 and 63.

The Twos did not win a single match before Christmas, but won every match afterwards to finish mid-table. Under Kev Burt's leadership there were several good batting performances, the highest score for the season being Rohan McDowall's 97, and James Hall led the way with the ball, taking 33 wickets including best figures of 7/38. James shared the Basil Finnigan Medal with Chris Hoare, two worthy winners.

The Threes also made a poor start to the season, with just three points from the first four rounds, but then won the next nine, including the semi-final, before going down in the grand final. Bob Parker was a great leader for the team, and was supported by legendary performances such as Justin "Josie" Murray's maiden century, consistent batting from Tim Allen, Peter "Rowdy" Lynch, John Spithill and Terry Burt, and fine bowling from Terry, Anthony Purcell and rookie Phil Featherston, who took 28 wickets in his debut season.

Captained by Peter McBrearty, the Fighting Fours struggled through the season, but blooded many new players including several, such as Feathers, Dan Burt and Ryan Chard who showed great promise for the future. The season highlight was the last wicket stand of 76 against Bulleen put together by Ryan and Steve O'Connell, a partnership which earned a reception from an adoring crowd which both batsmen should remember for the rest of their lives. The support shown by players from other sides, whose games had already finished, for the two youngsters flying the STC flag in E Grade epitomised the true meaning of Club spirit.

A very special highlight of the season was the achievement by Kevin Burt of his 300th game for STC, the first of our players to reach that exceptional milestone. Kevin's name features prominently throughout this history, as his playing career started in the Club's inaugural season, and he has filled almost every Committee position over that period. It is doubtful whether any other wicket-keeper in ESCA (or comparable competitions) has equaled his record of over 200 stumpings. His Life Membership of ESCA recognises his excellent service to the Association as Secretary over many years, and on the occasion of his 300th game tributes came from ESCA officials as well as long-time opponents and STC stalwarts. The function at the Clubrooms to mark the occasion was very well attended and reflected the enormous esteem in which Kevin has always been held at STC.

Season 1994/95

Bernie Docherty continued his reign as President with a Committee team that included new executive officers in Garry Chard (Vice President), Steve Ross (Secretary) and Bob Parker (Treasurer). We increased the Club's representation to nine sides, fielding an Under 16 XI, an Under 14 XI and three Under 12 teams. Garry Chard took over the role of Junior Co-ordinator from Rob Hoich, whose work had been exemplary, and did an equally fine job in that extremely demanding and vital position. All the junior teams performed with great distinction, and, as ever, focused as much on learning and enjoying the games as on winning.

With ESCA offering the Friday evening option for Under 16s and Under 14s, we reverted to fielding all our junior teams in that competition, and with wonderful success, the U16s (almost all boys in their first season out of U14s) and the U14 side bringing home STC's first ever ESCA Junior flags. The parents and supporters who watched the performances during the season and in the finals were rewarded by some wonderful cricket, especially Steve O'Connell's batting in both semi-final and final, and the spectacular win by the U16s at home in the last home and away match before a great crowd which assembled for the Past Players' evening.

Bernie Docherty led a First XI which started with promise but fell away badly to lose seven consecutive matches before a face-saving win in the last game, thanks to a lower order batting recovery inspired by James Hall. Although several batsmen made half-centuries (the skipper leading the way with three) and Rick Corbett bowled some great spells, with two five wicket hauls, the performance was uneven and, after contesting semi-finals in four of the previous five seasons, the season for the Ones ended in February.

The Seconds also missed the finals, with indifferent batting again a key weakness. However, under Steve "Kerners" Ross's guidance, there were some important steps taken, especially by improving players like Phil Featherstone, who moved up impressively from the Thirds, and Scott Waller. Individual highlights for the season included Fraser McDowall's sensational 7/23 (at Nettleton!) and Kev Burt's dashing 81, but inconsistency was generally a problem.

The Thirds once again carried the STC colours into the finals, falling in the semi but, as always, not without a fight. There were some great individual contributions during the season, including Chris Woods' fantastic returns of 6/6 and 5/9, which, along with the rest of his 34 wickets, took him to a well deserved win in the Basil Finnigan Medal. Skipper Terry Burt made a fine 70 in the semi and with over thirty wickets to his name was a fine leader and a worthy Team Champion. His wife Karen made a wonderful contribution to the Club on Committee, and deservedly won the appropriately named K D Burt Best Clubman trophy - yes, her second name does start with D!

Terry Spithill took over the reins of the Fighting Fours and, despite a disappointing season in terms of results, laid the groundwork for improvement in the future. The season's highlights included Aaron Tracey's maiden ton and a ten wicket haul for Tim Finnigan (5/5 & 5/50), just returned from the United Kingdom, in a memorable outright over Kew Deaf. Tim also produced another great effort against Marcellin, bowling 37 overs to take 7/82. Kev Lynch batted consistently throughout the season, and evergreen General Leigh Jondahl collected 18 wickets at the great average of 11.3.

The Presentation Night saw the awarding of Life Membership to two exceptional members, Tim Allen and Justin Murray. In addition to their long service as players in all grades, both Tim and Justin have been known throughout their years at Nettleton as ready volunteers, willing to pick up a task without being asked and get the job done. In particular, Josie's innumerable evenings cleaning the rooms, and Tim's work as a junior manager, senior captain and, for many years, Equipment Officer, have been terrific and sustained contributions to STC.

Season 1995/96

After too long a gap, STC once again had a senior flag to celebrate, following the fantastic grand final performance by Rob Hoich's Threes. The premiership was a fitting culmination to STC's most successful home and away season ever.

Garry Chard stepped up to take over the presidency from Bernie Docherty, who had served with great distinction for four years. Garry was supported by two Vice Presidents, Peter Sandilands and Tim Bach; Tim took over the onerous task of Junior Co-ordinator in a record breaking season in which STC fielded six under age teams, two in each age group. Tim performed admirably, with the help of a multitude of team managers, assistants and parents, and STC reaped the benefit with another junior flag, won by our all-conquering U16 Reds, virtually the same team which had picked up the premiership the previous year.

An important development was the appointment of Roger Young as Club Coach. Roger came to STC with impeccable credentials, having played in a District First XI premiership and later earned advanced qualifications in sports and cricket coaching. With Roger's help, the pre-season preparation was the best ever by STC, and laid the foundations for the successful season which followed.

Peter Warcaba took over the captaincy of the Firsts, and led them back into the Senior Matting finals, but not beyond the semi final, at which so many STC finals campaigns have foundered in recent seasons. The side started brilliantly with four wins before losing consistency and taking a semi-final berth on percentage, one of four teams finishing with 42 points. A narrow loss to Riversdale-Boroondara in the last round allowed R-B to slip into the four at the expense of Kerrimuir. The semi final was a rematch with R-B at Nettleton, and was won comfortably by R-B, which went on to take the premiership. Significant performances during the season included Rohan McDowall's sensational 120 at East Malvern, during which he made the neighbouring bowling green a more hazardous place than usual. Wacca himself also batted well, as did Bernie Docherty, while Bernie and Phil Featherston performed consistently with the ball. The progression of Phil to a First XI strike bowler reflected his determination to improve as he rose from his debut in the Fours just three years earlier. Doc's outstanding season included an unbeaten ton opening for ESCA in a representative fixture against the Box Hill reporter competition, and concluded with his winning the Basil Finnigan Medal.

The Twos started the season badly with a washout and three losses in the first four games, before regrouping under skipper Tim Allen and stringing enough wins together to scrape into the finals by a skerrick of percentage - one wicket more lost or one less taken for the season would have placed STC fifth. The semi-final at Mulgrave featured a critical 100+ partnership by the home team for the second wicket, during which missed chances allowed Mulgrave to establish the basis of a total of 245. None of the STC top order could get going and despite Pat Docherty's defiant 40 not out Mulgrave won comfortably. Season highlights included some fine bowling by Fraser McDowall and Anthony Purcell and a great ton from Steve Ross.

Terry Spithill led the Fourth XI into the finals also, only to see an uncharacteristic batting collapse (after having dismissed the opposition cheaply) destroy the side's hopes of progressing to the Grand Final. The team was well served by a core of experienced players such as Terry, Kev Burt and Leigh Jondahl, while younger members like Nick Oddy and Ranj Singh made great strides and many junior players got an important taste of senior cricket, a highlight being Martin Lynch taking six wickets in an innings.

The high point of the season was undoubtedly the C Grade Grand Final against Riversdale Boroondara at Victoria Road, scene of the First XI's extraordinary premiership in 1987/88. Perhaps there is something about the ground which conjures amazing twists in matches, for the Three's premiership performance, while very different from that of the Ones eight years before, also had its fairy-tale aspects.

The season started well for the team, with several batsmen, especially David "Pugs" Robinson and keeper Garry Chard in great touch, Garry's ton against a Kerrimuir team which included one of their First XI opening bowlers being a real treat for those who saw it (except the Kerrimuir players). Although things fell away after Christmas, the early points proved crucial and the side finished fourth, but still confident and with players like Tony Michaelides and Josie running into good form at the right end of the season.

Pugs ruined the semi-final against Marcellin as a contest by blasting 94 off the new ball in better than even time, setting the stage for Tony (67) and skipper Rob Hoich (98) to build an enormous total of 354. Led by Phil Salter with four wickets, the bowlers dismissed Marcellin for 195 to ensure that STC would be represented by one team in a grand final.

Two hours into the grand final STC were bowling at Riversdale-Boroondara, having been dismissed for a shell-shocked 62. To the team's great credit, they fought back courageously to dismiss R-B for 94 well before stumps, the Fabulous Phils, Salter and Byass, each taking three wickets. By stumps on Day One (of a four day match) two STC second innings wickets had already fallen!

The second day was much less frenetic, but no less tough and competitive. Rob Hoich played a gritty captain's knock of 39 and, with Rob Molloy's fine 43, provided the backbone of a second innings total of 159. Phil Byass picked up two wickets before stumps to leave the match teetering at the end of the day.

The third day featured two early wickets to Aaron Tracey before Phil Byass crafted a middle order collapse with his beautifully controlled wrist spinners. Highlights of the day included Rob Molloy's single-handed run out and, perhaps the pivotal moment, Phil Salter's catch of a skied pull shot out of the sun on the deep square leg boundary - and those who know Victoria Road will know how deep the square boundaries are on that ground. The watching supporters saw Phil's hand go up to shade his eyes as

the ball began to drop towards him, and many of those who managed to keep watching had their hearts in their mouths when the ball bobbed momentarily out of his hands before being firmly (not to say desperately) grasped. However, R-B did not give up and it took a final spell from Chris Wood, who had struggled a little after a great home and away season, to finish the game with a fast straight one which, umpire Denzil decided, had pitched middle and would have hit middle. The margin was just 18 runs. The scenes of celebration which followed continued more or less unabated for several days, and highlighted the camaraderie between the players, and their families, which was a key factor in the team's success. Every player contributed, including twelfth man Andy Daly, to an outstanding team premiership, with special credit to Phil Byass with eight wickets for the game and 5/46 in the second innings.

Season 1996/1997

Garry Chard retained the reins as president for the beginning of the 1996-97 season, before handing over to Peter Sandilands when Garry and his family left for twelve months in the United States. After the previous season's success on the field it was a little disappointing that only one senior team finished in the top four. There was great delight from the Under 14 Reds' performance as they wrapped up an undefeated home and away season under manager Dan Muling and captain Tom Sandilands with a deserved premiership. The four other junior teams competed well, with Basil Finnigan and Anthony Purcell sharing coaching duties and Peter Lynch doing a fine job as Junior Co-ordinator.

Early in the season a very successful dinner was held to celebrate STC's thirtieth season. However, a review of the Annual Report suggests that club harmony was generally a little below par, and STC was sustained more by a number of fine individual efforts than by the even overall contributions from many people that are essential for broad-based success.

Led by Peter Warcaba, whose excellent personal performance was recognised by his winning the Club Champion award, the Basil Finnigan Medal and finishing second in the A T Dunstan Medal, the First XI struggled, with only two wins for the season. Batting seems to have been the main problem, only Wacca with 418, Bernie Docherty with 272 (including 92* vs Kerrimuir) and Rohan MacDowall with 240 making over 180 runs for the season; only two other players made more than 70. Wacca with 20 wickets at 16.3 and Mark Molloy with 21 at 19.8 (including a seven wicket haul vs South Camberwell) were the best of the bowlers.

The Twos, with Stuart "Chainsaw" McCulloch at the helm, had a fine season, featuring Big Rick Corbett's maiden ton, and earned a home semi-final against Mulgrave. Strongly supported at Nettleton, STC triumphed in a tough match and went on to meet Box Hill South's First XI at Howard Dawson Reserve in the Final. Missed chances on the first day proved costly, and BHS went on to a total of 337 well into the second day. After a promising start, a middle order collapse took the heart out of the STC first innings. The tail wagged with good contributions from Matt Thackwray, Jack Krohn and Luke d'Astoli, but the final score failed to avoid the follow-on. Better batting in the second innings managed to set only a modest target for BHS for outright victory, and despite a couple of early wickets BHS went on to take the flag comfortably. Mention should be made of Peter Lynch, who, after an excellent season, missed the Final due to a punctured lung, and scored for all four days of the Final in a typical example of his outstanding clubmanship.

Tony Michaelides took over the captaincy of the Third XI from Aaron Tracey midway through a difficult season in a higher grade. Loss of many of the previous season's premiership heroes took its toll and the side struggled, with few highlights. Among the memorable performances were a ton from Garry Chard, a hat-trick in an innings return of 7/33 by Phil Salter and a final round outright win to lift the team from the bottom of the grade ladder.

The Fourth XI had also been promoted, and led by Terry Spithill for the third consecutive season finished mid-table in a creditable performance. Kevin Burt's 524 runs for the season included a century, and he also picked up six wickets in one match. There were promising showings from a number of younger players including Andy Daly, Ryan Chard, Martin Lynch and Dom Sandilands.

Season 1997/1998

Stephen "Kerners" Ross stepped up from his role of Secretary to take over as President in 1997 in a season which saw a much better home and away effort, but although all four senior teams made the finals none went on to record a premiership win. The move from the conventional coir matting to the new green synthetic surface probably helped the batsmen at the expense of the bowlers. The synthetic roll-out mats, which we chose ahead of a permanent synthetic surface, came at a high cost and, along with substantially higher ground rental charges, contributed to an unwelcome operating loss for the season.

Five junior teams represented STC, two each in U16s and U12s and one in U14s, but numbers were tight and there were clear signs that more recruiting work would be required to sustain our junior program into the future. Declining U12 numbers reflected the increased junior efforts of neighbouring clubs, and showed that we would have to redouble our own efforts to maintain a vibrant under age component.

With Basil Finnigan coaching the seniors, Peter Warcaba again led the First XI, this time reaching the semi-finals and meeting top side AYC. Despite a competitive effort, the Ones could not match the opposition and bowed out of the race for a flag. Once again Wacca (380), Rohan MacDowall (489) and Bernie Docherty (410) led the batting for the season, while David Twaits (29 wickets at 11.8) did an outstanding job with the ball despite limited support. Peter Warcaba was a deserving Club Champion, while Rohan MacDowall shared the Basil Finnigan Medal with Daniel Burt.

At the end of the home and away season the Twos, again skippered by Stuart McCulloch, had slipped from the top spot they had occupied for most of the season, and from third place met second side Burwood away. In a cliffhanging finish the Twos prevailed to set up a Grand Final with South Camberwell at Macleay Park. The bowlers did a good job in South Camberwell's first innings but once again the STC Grand Final batting collapse made an appearance and we had to follow on. A better second innings performance raised a target of just over 100, which after an early fright South Camberwell achieved with six wickets in hand. Another promising campaign had ended in disappointment. Probably the individual highlight of the season was Pat Docherty's superb 174* against Riversdale-Boroondara, which included a new final wicket partnership record for the Twos of 146 (unbroken) with Daniel Stoney. Rohan MacDowall also made two tons on his way to a recall to the Ones (and finished with a season aggregate of 721 runs at 60.1).

Having dropped back a grade after a poor season in 1996/97, the Threes recorded nine wins to earn a second place finish. However, in the home semi-final against AYC the batting did not live up to the team's performances through the season, and a small total proved inadequate on the fast Nettleton outfield. During the season the team recorded some memorable wins, including a lower order run chase featuring half-centuries from Dan Burt and Adam Blight to overhaul the hitherto unbeaten St Barnabas's total of 288, and successful defence of 255 on a 42 degree day against North Balwyn, who finally fell five runs short when play finished after 7 pm. Jack Krohn led the batting with over 500 runs including two tons, and Dan Burt, David Phippard, Aaron Tracey and captain Paul Zennaro all made 200-plus contributions.

Terry Spithill led the Fours again, except for an injury lay-off during which Arny Maskiell took over the reins (and led the team to wins in all the games he captained). Runs were shared among several batsmen during the season, Steve Ross leading the way with a century, while David Spithill (23 wickets) and Alex Nicholson (18) were the pick of the bowlers. Tim Allen's all round contribution as a batsman with 263 runs and as a keeper with 19 dismissals was also outstanding. The semi-final saw an early batting collapse to 7/70 before a lower order fightback by Kevin Lynch, Marty Lynch and Terry Spithill lifted the total to a competitive 201. Quick breakthroughs had East Doncaster struggling at 3/36 but their middle order stood firm and another STC finals appearance finished without making the big one.

Season 1998/1999

Scott Waller took over the role of President, and led the club to an excellent on-field performance crowned by our eighth flag. Agonisingly, the First XI fell just one wicket short of making it the best STC season ever. Junior Vice-President Tim Bach oversaw five junior teams with the Under 14s making the semi-finals, rewarding a fine season's effort.

The Firsts, led by new skipper Stuart "Swooper" Joyce, accelerated from a slow start to the season to finish in fourth place. Along the way the team set a new club record score in making 5/503 against Kooyong. That performance featured 223 from Ross Moore, the first STC double century for fifteen seasons and only the fifth overall, as well as a second century in consecutive matches from Rohan McDowall. An average batting performance in the semi-final against top-placed South Camberwell accumulated only 207, but inspired bowling, especially from Mark Molloy (4/35) brought about a stirring thirty-five run win.

The Grand Final, played over three days with a compulsory closure after 120 overs, pitted STC against arch-rivals AYC. Batting first, the Saints ground out 280 before being all out in the final available over in an innings which included no big individual scores - Ross Moore's 51 was top score - but plenty of dogged partnerships. In reply AYC started well then fell away and eight wickets were down with fifty-five runs still required. However, only one more wicket fell before the dream of a fourth First XI flag was shattered. Overall, it was a huge effort from the team, and desperately disappointing to miss out by so slim a margin.

The Twos performed very well through the home and away rounds under the sturdy leadership of Rick Corbett and earned a home semi-final, finishing in second place. After being well-placed approaching tea against East Malvern RSL, a catastrophic

batting collapse resulted in an inadequate first innings score, and despite full commitment with the ball the total on the small, fast Nettleton outfield proved indefensible.

Paul Zennaro led the Thirds to top place, but a Grand Final berth looked dubious at 6/85 in the semi. It took a sensational partnership between Aaron Tracey and Gary Chard to rebuild the innings and lay the belated foundations for a final total of 292. In reply West Hawthorn was rolled for 98.

The Grand Final lacked a comparable middle order fightback, and the first innings total of only 138 was the critical factor in the loss to Heathmont, despite Matthew Fahey's superb bowling performance (5/32 from 37 overs). Once again a promising STC season finished with Grand Final disappointment. Matt Thackray put in a sustained performance through the season with bat and ball to be a deserving winner of the Basil Finnigan Medal.

The Fourth XI had an exceptional season under Terry Spithill's mature guiding hand. Highlights included a team record, match-winning 110 final wicket partnership between young guns Tom Bach and Tom Sandilands, who came together at 9/117 and steered the side to a crucial win over Mulgrave. In a one-day game, Ashwood must have felt secure with a forty over total of 1/241, only to have Kev Burt and Kev Lynch put on 188 for the first wicket and then see Stirling Rowe smash the remaining runs with a series of fours and sixes.

The semi-final against Mulgrave was a cliffhanger with some good partnerships and a fine anchoring innings from Alex Nicholson setting up a competitive total of 235. Excellent fielding, including catching, was the key to dismissing Mulgrave which tumbled from 2/115 and 5/170 to be all out for 226. And so to the Grand Final at Macleay Park against Canterbury.

The fall of the fourth wicket with only sixty on the board brought together old stager Kevin Burt, who had announced his retirement would follow the end of the season, and youngster Dan O'Connell in the pivotal partnership of the game. Their stand of 216, a new record for any wicket for the Fourth XI, was dominated by Dan who made a whirlwind 153. When Dan fell, Kev hung on, and was finally last man out for a determined 88. The total of 369 was also a new Fourth XI record, and proved far too large for Canterbury, dismissed for 196 with Kevin Burt's crafty off-spinners picking up four wickets. An indication of the strong team and club spirit was the ready acceptance by vice-captain Arnie Maskiell of the role of twelfth man; in the event, as well as stalwart support from the sidelines, Arnie spent some time in the field and took a vital catch at a crucial stage of Canterbury's innings to make a very tangible contribution to STC's eighth premiership.

The Premiership Team was:

Terry Spithill (Captain)
Andrew Brown
Adam Burt
Kevin Burt
Kevin Lynch
Martin Lynch
Peter Lynch
Alex Nicholson
Daniel O'Connell
Stirling Rowe
Tom Sandilands
Arnie Maskiell (Vice Captain and 12th Man)

The Presentation Night was a memorable occasion, with the victorious Fourths feted for their achievement and formal recognition of the careers of the retiring Kevin Burt and Tony Michaelides (Tony subsequently thought better of this decision and as of the end of 2001 is still playing). Kevin's record reflects his skills and his dedication to the game and the club over more than thirty years: 360 games (279 in the First XI), 8,811 runs at almost 26 with five centuries (top score 137) and fifty other half-centuries; 597 dismissals as a wicket-keeper with 387 catches and an extraordinary 210 stumpings; and in his latter days in the lower grades 46 wickets at 26.6 (best bowling 6/11) and 29 catches as a fieldsman. Kevin played in four premiership teams, including all three First XI flags to date, captained the First XI for six seasons and also led the Second XI for a season, served the club for long periods as President and as Secretary and has been awarded well-earned Life Memberships by both STC and the Eastern Suburbs Cricket Association. Kevin maintained the club's statistics for over thirty years in immaculate order. In short, a true Club Legend. (A summary of Tony's achievements will be published when he finally and permanently "retires"!)

Presentation Night 1999 also saw the presentation of two new Life Memberships, taking the total to 17. Basil Finnigan played his first game for STC in his mid forties, but still went on to represent the club 154 times, making 4,660 runs at 37.6 (nine hundreds, twenty-four fifties, top score and club record 250*) and taking 424 wickets at 14.5, with twenty five-wicket innings and best bowling of 8/103. Bas also took 82 catches and led the Third XI to a flag in 1978/79. However, his Life Membership was awarded in recognition of his outstanding service as a coach, especially of juniors, over a period of almost twenty years. Many current senior players owe their basic skills to Basil's firm imparting of the fundamentals of cricket. Even after moving to Mount Martha (and having both knees replaced) Bas has continued to travel up two or three times a week to continue guiding the latest crops of Under 12s and Under 14s towards sound techniques and a respect and love for the game of cricket.

Pat Docherty is still playing, with over 200 games and nearly 5,000 runs to his credit. Over the years Pat has served in many Committee roles, especially on the social side where he has been instrumental in organising and running many functions that contribute heavily to the social and financial health of the club. Pat also worked hard on the first few EOSTs (which might be argued to have contributed to no-one's good health but were still appreciated by all who participated). Pat twice led the First XI into the finals as Captain, falling just short of a semi-final win in 1992-93. Over many years Pat's performance as a clubman has been outstanding, and his Life Membership recognised that sustained long-term effort for the good of STC.

Season 1999/2000

Rick Corbett was elected President at the 1999 Annual General Meeting and his new committee including Paul Zennaro, Tony Michaelidis and Stuart McCulloch immediately set about implementing a strategy to revitalise the club's finances. The season saw the birth of the new Eastern Cricket Association, formed by a merger of the Eastern Suburbs Cricket Association and the Eastern Suburban Churches Cricket Association (which had not wanted to know us in 1967). This meant a whole raft of new clubs to compete against, new grounds to play at and a fourteen round season involving both one and two day games against each of the other seven teams in the grade. It also saw the introduction of a new One Day competition, which was all the encouragement the Committee needed to take the big step of establishing a Fifth XI (of which more below).

Extensive improvements were undertaken to equipment and facilities, including the purchase of a bowling machine and works by the Council in consultation with the Club to relay the main wicket (which had subsided badly) and to erect a safety curtain for deployment on match days to protect the playground next to the main ground. Entering a Fifth XI necessitated taking out tenancy of another ground, the Swinburne Recreation Reserve, which became the home away from home for the Steak Knives, as they came affectionately to be known.

After many years of tireless work, Tim Bach handed over the role of Junior Co-ordinator to Jack Krohn. Four junior teams flew the STC flag during the season, none making the finals but all playing competitive and enjoyable cricket. Once again Basil Finnigan trekked up regularly from Mt Martha to coach the younger boys and they all benefited from his enthusiasm and expertise. The U12 Blues, mostly eight and nine year olds, won the last game of the season and marched triumphantly off the ground belting out the club song.

Bernard Docherty resumed control of the First XI, which struggled in the stronger top synthetic surface grade. Unfortunately STC took the wooden spoon in the new MacGibbon Shield. David Spithill and Luke d'Astoli showed promise with the new ball, and other new players like Paul Fiscaro and Danny Sotiriadis also gave signs of good things to come. Chris Hoare and Rohan MacDowall made centuries and Stuart Joyce picked up a five wicket haul against Deepdene, while Doc himself was Club Champion.

The Twos had an outstanding season under the captaincy of Michael Mitchell, who took over the job as Rick Corbett concentrated on his role as President. After an uneven start to the season, the team strung together ten consecutive wins (including three outright) on the way to a Grand Final against top-placed St Barnabas. On the way a new opening partnership record of 265 was set against North Balwyn by Stuart McCulloch and Alex Nicholson, both of whom recorded their maiden centuries. Rick Corbett also scored a ton against Mt Waverley. Matt Funnell led the bowling with 40 wickets at 15.1 and a best analysis of 6/37.

The team went into the Grand Final on the back of a solid performance against Boronia Churches in the semi-final, when the skipper with 81 led a recovery from 3/13 to a total of 279 and Matt Funnell and James Hall with four wickets each set up the dismissal of the opposition for 216. They carried that good form forward with a great effort in the field against St Barnabas. Having dismissed the top-side for just 126, the team suffered a disastrous final hour of the first day, but even from 5/15 overnight there was still a chance. However, despite a brave batting effort from James Hall, who had also bowled magnificently in St

Barnabas' innings, no partnerships could be established on the second day and another fine season ended with frustrating thoughts of what might have been.

Paul Zennaro again led the Third XI, which topped its table for most of the season and achieved an outright victory over the eventual premiers. Individual highlights included a ton by Sanjeeva Weerasinghe vs Burwood (in Jack Krohn's 300th game for STC) and two consecutive centuries by Lindsay Egan late in the season that resulted in his selection in the Second XI in the finals. The bowling was led by Matt Thackwray with 29 wickets and Mick McGrath with 26. The team Highlight was against Boronia Churches' in round 3 when second innings hauls of 5/20 for Phil Salter and 4/8 for captain Paul Zennaro brought about an improbable outright.

Unfortunately for the threes an excellent home and away performance was followed by a disappointing semi-final, when East Malvern, batting first, made the most of the small Nettleton No. 2 ground to set a target for victory of an even 400. After a promising opening stand of 91 in 23 overs between Andrew Murray and Paul Zennaro, wickets fell steadily and the season ended with the fall of the last wicket on 189.

With Terry Spithill again at the helm, the Fours put in a solid season to earn a semi-final berth against Burwood. Highlights included two centuries to Pat Docherty and one to Mick Pivetta; Pat and Mick put on 265 for the third wicket in the final home and away game (also against Burwood). Unfortunately the result was reversed when it really counted, with Burwood's 298 enough for victory by over 100, despite a brave 69* from Kev Lynch. Marty Lynch with 28 wickets and Mick Pivetta (25) did great jobs with the ball, while Stirling Rowe's 5/35 against Richmond Union was the best individual analysis for the season. Mick's fine all-round performance was rewarded with the Basil Finnigan Medal as well as the Fourth XI Team Champion trophy.

The Fifth (Club) XI acquitted themselves exceptionally well in their inaugural season. Jack Krohn led the side to a narrow loss in Round 1, then handed over to Peter Lynch who performed brilliantly as captain for the rest of the season. A series of washouts, forfeits and byes made it hard to build momentum early in the season, but after a couple of honourable defeats the wins started to flow, including one or two last-gasp thrillers. Sadly, despite a great final round win, the team finished fifth, missing a semi-final only by percentage. Among many fine performances David Twait's 121 against East Doncaster (out of a team total of 197) stood out, as did evergreen Leigh Jondahl's 5/28 against St Stephen's in a two run win. Terry Laragy picked up 25 wickets for the season, and the skipper led from the front with 285 runs, while Ranj Singh put in a great all round contribution with 224 runs and 21 wickets. This latest expansion by the club was a resounding success.

Season 2000/01

Work to improve the pavilion appointments proceeded apace under Rick Corbett's continued presidency. A infrastructure improvement sub-committee consisting of Rick, Paul Zennaro and Stuart McCulloch helped deliver new carpets, a freshly painted kitchen, new shelving and extensively upgraded equipment. Enthusiasm for a better training regime was high, and saw the introduction of an intra-club "Super-Eights" competition. The Sandilands Shield was developed by James Hall Jnr as a novel addition to Tuesday evenings prior to Christmas. With the Swinburne oval undergoing major improvements, the Club XI moved to the Dorothy Laver Reserve for its second season.

Once again we put four junior teams in the field, two U12 sides on Saturday mornings, both of which performed very well, and an U14 and an U16 team on Friday evenings. The U16s were unlucky to have a semi-final berth snatched away when another club finally submitted a pre-Christmas match report in February, and the U14s were in the race for a semi-final place up to the last round. New local MLA Bob Stensholt generously donated a new perpetual trophy for the best Junior Clubperson, which was won by Mrs Carol Williams for her outstanding service in the canteen on Saturday mornings.

An important innovation was the commencement of Milo "Have A Go" cricket clinics for "pre-U12" youngsters. Steve Ross took the initiative by offering to run the program for the club, and so Sunday mornings saw a dozen or so kids have their introduction to cricket in a structured program which was still lots of fun. Already four of those children have gone on to play U12s cricket in 2001/02.

The First XI was lucky to hang on to a place in the top synthetic grade, the MacGibbon Shield, despite taking the wooden spoon the previous season. However, with Stuart Joyce back at the helm, there was still a gulf between the Ones and most of the other sides in the grade. A couple of critical factors were a diabolical tendency to drop a critical catch when a game was there to be won, and an inordinate number of injuries to key players, especially bowlers. Only four half-centuries were scored, with no tons, and only Club Champion Danny Sotiriadis, with 6/70 vs AYC, managed a five wicket innings. However, late season form from a couple of prodigal sons, Phil Featherston and Jeremy Dwyer, provided grounds for optimism about the coming season in Burt

Shield. Several good individual performances when the team was struggling earned Luke d'Astoli enough votes to pick up the coveted Basil Finnigan Medal

Mick Mitchell again led the Seconds, which sprinted through to Christmas undefeated. The wheels, if not precisely falling off, became a little wobbly in the New Year but the side still did enough to earn a home semi-final against Boronia Churches. With James Hall taking 5/42, Boronia were all out for 236. Despite an even batting performance, we found it impossible to achieve a sustained acceleration of the run rate and at the end of eighty overs finished just short on 8/233. During the season only Simon McCarthy managed a century, and aside from James Hall's semi-final performance Craig Hynes and Jeremy Dwyer both produced five wicket innings with the ball.

The Third XI under new skipper Garry Chard finished top of the table with 11 wins from 13 completed games, with Alex Nicholson recording a century and Ben Mannix (twice), Dave Grace and Mick McGrath all taking five wicket hauls. The team's success, like that of the Seconds through the season, was due more to a lot of steady, regular contributions rather than a few spectacular performances. In the semi-final, STC hosted Boroondara and, batting first, set the visitors a challenging target of 303 to win, Steve Ross top-scoring with 74. In reply, Boroondara collapsed from a potentially dangerous 3/147 at tea to be all out for 174 with almost thirty overs in hand.

The Grand Final at Highfield Park pitted STC against Preshil, who had successfully chased 368 in their semi-final. STC batted first on a showery day with several interruptions. Once thirty minutes had been lost the game reverted to ordinary conditions, which meant that as top-placed side STC had only to draw the game to take the flag. Progress was slow in the difficult conditions and at stumps after 61 overs the score was 4/98. On the second day a collapse saw the score plummet to 9/132 before a final wicket stand between Garry Chard and Mick McGrath lifted the total to 164. Five batsmen reached 20 but none could go on with it from there. With a minimum 49 overs available, and Mick McGrath bowling superbly, Preshil slumped to 4/48 before a succession of moderate but brisk partnerships got them over the line with three wickets in hand in the second-last over. It was another bitter disappointment for the team, several of whom had played in previous losing Grand Finals.

With Terry Spithill still at the helm the Fours had another good season in a higher grade, earning a semi-final place against Glen Iris. Poor catching proved critical, with dropped chances allowing Glen Iris to make an imposing 384. Of STC's reply of 217, Paul Zennaro made half with a magnificent 109*. Other highlights during the season included six wicket hauls by Marty Lynch and Shane Roberts, and Mick Pivetta's four half-centuries.

Peter Lynch retained charge of the Club XI, which was placed in the First Division of the newly graded One Day competition. In the final analysis the side won four of fifteen matches, but was seriously outclassed in only three others, and could easily have finished with seven or eight wins given a little luck. The skipper and his deputy, Tony Michaelides, both topped the fifty mark twice. Ranj Singh took 5/38 against eventual premiers Abbotsford Anglers, while evergreen Leigh Jondahl was consistent as ever with 19 wickets at just 16.4.

Season 2001/2002

At the halfway mark in the current season there is much promise. Garry Chard has resumed the presidency and has a strong Committee team managing the club's business. After a long fought campaign by Rick Corbett and Paul Zennaro the First and Second XIs are now playing on the newly resurfaced Swinburne Recreation Oval, the additional acreage of which has been appreciated by hosts and visitors alike. This has allowed the Club XI to settle at Nettleton with tenancy of the second (west) pitch.

Five new captains – Paul Fiscaro, Stephen Hoy, Dan Shacklock, Stirling Rowe and Edwin Behan – have been appointed and at the Christmas break all five sides held positions in the top four. Indeed, on four occasions in the first nine rounds, including three in succession, all five senior teams recorded wins on the same day, a feat not achieved once in the previous two seasons with five teams. An influx of 21 new, talented players combined with good form shown by many longer term Saints, has seen a plethora of outstanding individual performances up to the end of Round 10 – eight centuries, 37 other scores over fifty, eleven five-wicket innings by bowlers and a hat-trick (by Stephen Hoy), all contributing to the strong team showings. The table shows the players who have produced these performances, as well as those who have reached personal milestones during the season so far.
